Keeping this in mind 15th August on 26th January are celebrated every year with great enthusiasm and pride.

V FAMILY VALUES

And last but not the least, the circle of life takes us back to where we start. A child's first teacher is his family. We encourage our students to develop long lasting and meaningful relations with their families.

Keeping this in mind, every year we celebrated Mother's Day to honor the contribution of mothers and acknowledge the role of mother in our families and society. We also celebrate Grand Parents day to give children an opportunity to express love and appreciation towards their Grand Parents and also help children become aware of the strength, wisdom, knowledge and guidance older people can offer.

As I said earlier, the end result of all this hard work is a student who blossoms into a wholistic person. Shanti Niketan Public School School sees its success in the success of its students.

Lastly we express our heartfelt gratitude to all our students, parents, well wishers and management of school whose constant support and guidance has helped us maintain high standard of education and discipline in our school. We take this opportunity to commit ourselves to do our best to serve the society though quality education. We seek blessing from the god almighty to help and guide us in the right direction.
